Dear, Mr. Hall

Your keynote presentation at our 2017-2018 Parent Orientation was **OUTSTANDING!**

The way you wove our message, "Excellence and Equity for all Students" and motto, "We Build the Future" into your talk was appreciated and inspiring. Our parents walked away inspired and motivated. I particularly liked how you spoke to them about "Their child's team," (the teachers, faculty and staff), and how they must nurture those relationships for the benefit of their child's education and future well-being.

This is our second time using your services and I am positive we will be calling on you again, in the future. Thank you, for your commitment to our children, our parents, and for helping us inspire highly engaged parents, who in-turn, help us produce highly proficient students.

We received very positive feedback from the parents regarding your presentation. Our parents felt you understood their circumstances and spoke a language they could understand. Our staff felt rejuvenated and ready to give their best to make sure each student succeeds.

You are truly a gifted speaker and an amazing motivator!

Warmest regards,

Ramona R. Wilder
